SECTION 3.0 PROPERTIES

It is essential to know as much as you can about your properties to effectively plan for emergencies, and respond to them. In this section each operating area contains a map of the area showing all company assets (including EPZ's if applicable), an area access map, telephone numbers for key area responders, telephone number for government agencies, and company asset data.

Contents:

3.0	Properties	2
3.1	Wapiti Area – Township 66, Range 8, W6M	
3.2	Nova Scotia Drilling Program
